## *Friends for LIFE Edition*

Dear Friends:

Harry Truman once said, "You want a friend in Washington? Get a dog." He wasn't wrong! The truth is if you want a friend anywhere - get a pet! And nearly 200 happy people went home with new animal friends after the Sixth Annual Countdown to Zero Adoption Event on September 28, at the South Florida Fairgrounds - Expo Center East, in West Palm Beach.

Millions of dogs, cats, and other pets languish in shelters every year...and far too many are euthanized. As you know, it has long been a goal of mine to end the needless euthanasia of healthy, adoptable pets and this annual event brings us closer to that goal. That is why the Lois Pope LIFE Foundation, Inc. has been the presenting sponsor for the Annual Countdown 2 Zero (C2Z) Adoption Event since its inception, and, in that time, we have found loving, forever homes for 1500 deserving pets.

(Dear Friends continued)

C2Z is Palm Beach County's largest annual pet adoption event. There were hundreds of adorable animals, including dogs, cats, puppies, kittens, and rabbits seeking new families and homes. I'm so proud to sponsor this event, organized by Peggy Adams Animal Rescue League and Palm Beach County Animal Care & Control. C2Z is the collaborative effort of more than 20 local rescue and partner groups dedicated to saving the lives of Palm Beach County animals.

On this one single day, hundreds of homeless animals found their forever homes. Decreasing the pet population at Animal Care and Control means that fewer healthy, adoptable animals will be euthanized because of the lack of space and time to care for them.

Together, we can save so many lives of our furry friends in Palm Beach County.

Love,

*Lois*
