## Upcoming events

Dear Friends:

I hope you were all there to see the dynamic and awe-inspiring encore performance of legendary Rock and Roll Hall of Fame singer Diana Ross who wowed our capacity crowd of more than 600 at LIFE's 26th Annual Lady in Red Gala with a rousing concert of some of her greatest hits. And if that wasn't enough, we were all rolling with laughter as Las Vegas superstar comedian Rita Rudner once again delivered side-splitting one-liner after one-liner. As our evening began, we were serenaded by the Palm Beach Symphony and to cap it all off, we were all on our feet, literally, dancing the night away to the tunes of the Danny Beck Band.

All this, and more, helped make the gala one Supremely, fantastic affair.

(Dear Friends continued)

What a tremendous night! I can't think of a better way to start 2020 and a new decade for LIFE. I want to express my deepest gratitude to all of you who attended the gala, and all of our supporters across the country. Your dedication to all the important initiatives we enthusiastically support is life-transforming.

Speaking of which, our event raised more than \$1 million and benefitted disabled veterans through the "Pups4Patriots" program at the Lois Pope LIFE Center for Military Affairs at American Humane. This unique program takes dogs languishing in shelters and provides them with specialized training and certification so that they can be partnered free of charge with disabled veterans as therapy dogs.

A particular highlight for me that evening was when I presented to distinguished philanthropists Patrick and Milly Park the Tiffany Shooting Star Award for their stalwart support of LIFE and their ardent commitment to the vitality of the greater Palm Beach community.

My dear friends Patrick and Milly are kindred spirits who are sharing their passion and commitment to life's most important purpose: to ensure the betterment of humanity and to saving lives. Their commitment is beautifully made manifest through their leadership and generosity on behalf of national and international health care organizations and so many institutions right here in Palm Beach, including our very own LIFE Foundation.

Patrick and Milly also served as chairpersons with me of the Lady in Red gala. I can't miss thanking the evening's leadership, which also included: Christine Lynn, grand honorary chairperson, and Maude Cook, Holly and David Dreman, Dr. Robin Ganzert, Jan and Chip Malley, and Erika Rizzuto, co-chairs.

I also want to thank our Corporate Ambassadors for the evening, Ambassador Realty Corp., Conair, Netjets, Tiffany & Co., Wells Fargo Advisors, and Gladys and Sy Ziv Foundation.

You'll want to mark your calendars for next year's Lady in Red Gala, which will take place at The Breakers Palm Beach on Friday night, February 19, 2021. I look forward to seeing you all there!

Love,

*Lois*
